Therefore, in the event that funds to match federal funds are not made available by FHWA, the City agrees to furnish and provide the State with City funds in an amount equal to the difference between the total cost of the work provided for in this Agreement and the amount of federal aid received, if applicable.

3. This Agreement shall remain in force and effect until completion of the work herein embraced; provided, however, that any provisions in this Agreement for maintenance shall be perpetual, unless assumed by another competent governmental entity.
